

Product Recalls: August 2001 to August 2002

DATE	RECALLED ITEMS	REMARKS
08/02	Pottery Barn Kids Star Clacker wooden toys and Ride-On Duck wooden riding toys	<p>Pottery Barn Kids is recalling Star Clacker wooden toys and Ride-On Duck wooden riding toys. The wooden peg can come off of the Star Clacker toy and pose a choking hazard. The Ride-On Duck's wheel cap can break, allowing the wheel to come off and release small parts, also presenting a choking hazard to young children. The Star Clacker wooden toys, also does not comply with the Federal Hazardous Substance Act for design and construction of baby rattles, due to the handle length. The clackers are made of three wooden star shapes, tied together, with the two outside stars painted red, white or blue. The center star and handle are made of natural wood. The toys measure about 6-inches long. The handle has a gold "Made in China" label and a white label reading, "Intended for Children over 6 months of Age." The Ride-On Duck is a yellow wooden duck-shaped toy with orange wheels and bill that measures 12-inches high by 20-inches long. It has a gold "Made in China" label on the bottom. Consumers should take the recalled toys away from young children immediately and return the toys to the store where they were purchased for a refund or replacement toy. For additional information, contact Pottery Barn Kids at (866) 428-6467 between 8 a.m. and 5 p.m. PT Monday through Saturday. Consumers can also visit the firm's web site at www.potterybarnkids.com.</p>
07/02	Radio Flyer Inc. steering wheel on Model 8 Roadsters	<p>Radio Flyer Inc. is recalling to replace the steering wheel on Model 8 Roadsters manufactured before January 2002. A child can pull the horn from the steering wheel, and a small part inside poses a choking hazard to young children. The Model 8 Roadster is about 26- inches long with a red steel body and a red rubber horn on a black steering wheel. The words "Radio Flyer" and the number "8" appear on both sides of the riding toy. Roadsters included in this recall have a date of manufacture of 12/2001 or earlier and have a "horn symbol" embossed on the red rubber horn. A label with the date of manufacture is located on the bottom of the Roadster. The label has the letters "MD" followed by a date code that represents the month and year of manufacture (for example, MD 12/2001 is for a manufacture date of December 2001). Consumers should take these Roadsters from young children immediately and contact Redwagons to order a replacement steering wheel. Consumers can contact Redwagons at (800) 708-9246 between 8:30 a.m. and 5 p.m. CT Monday through Friday or visit Radio Flyer's web site at www.radioflyer.com and complete an order form. For more information, consumers can contact Radio Flyer at (800) 621-7613 between 8 a.m. and 5 p.m. CT Monday through Friday.</p> <p>Model 8 Roadsters manufactured after January 2002 are not involved in this recall. Model 8 Roadsters with a star embossed on the horn, even if manufactured in 2001, have been re-designed and are not included in this recall.</p>

DATE	RECALLED ITEMS	REMARKS
07/02	Small World sorter toys	Small World Toys is recalling sorter toys. The plastic windows on the "see-inside" sorting blocks can break, causing the beads inside to be released. This presents a choking hazard to children. The recalled "Sort & See" sorting box is made of hardwood and comes with eight shaped blocks of various colors. Each block is filled with beads that are visible through plastic windows. The wooden box has a clear plastic top and cutouts on two sides that correspond with the shapes of the blocks. The words "Ryan's Room" is printed on one side of the sorter box. Consumers should take the recalled shape sorters away from children immediately and return the toys to the store where purchased for a refund. For more information, consumers can contact Small World Toys toll-free at (800) 421-4153 between 8:30 a.m. to 4:30 p.m. PT Monday through Friday or visit the firm's web site at www.smallworldtoys.com
07/02	"Toddler Tote™" toddler activity sets and "Familiar Things" toddler puzzles.	Lauri(r) Inc. is recalling "Toddler Tote™" toddler activity sets and "Familiar Things" toddler puzzles. The dog puzzle included with both of these products and the rubber handle on the box of the activity set can tear apart into small pieces and pose a choking hazard to small children. The "Toddler Tote" travel activity sets have three animal puzzles, seven stacker pegs of various colors, a geometric shapes puzzle and four basic shape mini-puzzles. All the contents are packaged in a blue box with a rubber handle that acts as a carrying tote. The 9-inch square box has "Lauri" and "LR-2116" written on it. The puzzle set is called "Familiar Things." It is a boxed set of 12 two-piece puzzles. The puzzles include cut-outs of fish, planes, boats and cars. The purple box has "First Puzzles for Little Ones" and "LR-2113" written on it. Consumers should take these toys away from children immediately and call Lauri for free replacement pieces. For more information, contact Lauri toll-free at (800) 451-0520 between 8 a.m. and 5 p.m. ET Monday through Friday.
07/02	Plan Toys pull-along snails	BRIO(r) Corp. and Small World Toys are recalling Plan Toys pull-along snails. The eyes on the pull toy can detach, posing a choking hazard to young children. The recalled Plan Toys pull-along snail is a bright green, yellow and red wooden pull toy. The snail measures 10-inches long and 4-inches high and is pulled by a nylon string attached to the underside of the toy. On the snail head are two yellow protruding pegs that extend about 1- inch from the body. The pegs are painted black and white to depict eyeballs. A stamp on the bottom of the head displays the Plan Toys logo and the words "Made in Thailand." Consumers should take these pull toys away from children immediately and call BRIO(r) for a refund. For more information, consumers can contact BRIO(r) at (888) 274-6869 between 8:30 a.m. and 5 p.m. CT Monday through Friday or visit the firm's web site at www.briotoy.com Consumers should return the recalled pull toys to BRIO Corp., SAFETY RECALL - Snail, N120 W18485 Freistadt Road, Germantown, Wis. 53022.
07/02	bicycle suspension seat posts	Cane Creek Cycling Components (Cane Creek) is recalling bicycle suspension seat posts. The recalled THUDBUSTER Suspension Seat Posts are black and silver and have a range of serial numbers between 10894 and 18710. The serial number can be found inside the seat post's tube toward the bottom of the post. Consumers should stop using these seat posts immediately and return them to the company for a free repair. Consumers should contact Cane Creek Cycling Components at (800) 234-2725 between 8:30 a.m. and 5:30 p.m. PT Monday through Friday or visit the company's website at www.canecreek.com

DATE	RECALLED ITEMS	REMARKS
07/02	Vacation Station(tm) children's cooler/chairs	Hilton Hotels Corporation is recalling Vacation Station(tm) children's cooler/chairs. When the chair collapses the folding mechanism can pose a crushing, cutting or severing hazard to consumers' fingers. CPSC and Hilton Hotels are aware of one report in which part of a 2-year-old boy's fingertip was severed when the chair collapsed . The recalled product is a multi-use product that can be used as both a child's chair or a food/beverage storage cooler. The cooler/chairs were given to hotel guests as a welcoming gift at participating Hilton(r), Doubletree(r), and Hilton Garden Inn(r) hotels and resorts. The chairs have either a purple aluminum frame with a purple fabric seat and green cooler bag, or a green aluminum frame with a green fabric seat and a blue cooler bag. Vacation Station(tm) is printed on the front of the cooler bag. Consumers should stop using the recalled cooler/chairs immediately and contact Hilton Hotels for information on returning the cooler/chairs and receiving a free replacement item. Contact Hilton Hotels toll-free at (877) 221-2424 between 9 a.m. and 4 p.m. PT Monday through Friday, or visit one of the participating brand web sites at www.hilton.com/families , www.doubletree.com/families or www.hiltongardeninn.com/families .
07/02	Vertical XL2 mountain bicycles	Dynacraft Industries Inc. is recalling Vertical XL2 mountain bicycles. The forks on these bicycles can break apart, causing riders to lose control, fall and suffer serious injury. The recall includes only 24-inch Vertical XL2 mountain bicycles, with model number 8524-21. A label on the frame near the crank housing identifies the model number. The bicycles are red. "Vertical" is written on the top tube, and "XL2" is written on the down tube. Consumers should stop using these bicycles immediately and contact Dynacraft Industries for information on receiving a free replacement fork and free installation. For more information, contact Dynacraft at (800) 288-1560 between 7 a.m. and 4 p.m. PT Monday through Friday or visit their web site at www.dynacraftbike.com
06/02	Next Ultra Shock mountain bicycles	Buy US International Co. Ltd. is recalling about Next Ultra Shock mountain bicycles with "Ballistic 105" front suspension forks. Dynacraft Industries Inc., of San Rafael, Calif., was the sole distributor of these bicycles. BY US International Co. Ltd. manufactured the forks on these bicycles that can break apart, causing riders to lose control, fall and suffer serious injury. The recall includes only Next Ultra Shock bicycles, which are blue, with model numbers 8524-14 and 8526-20. A label affixed to the frame near the crank housing identifies the model and date of manufacture. The name "Ultra Shock" is written on the bicycle down tube in white lettering. Consumers should stop using these bicycles immediately and call Dynacraft Industries toll free at (800) 288-1560 between 7 a.m. and 4 p.m. PT Monday through Friday or visit their web site at www.dynacraftbike.com for information on receiving a free replacement fork and free installation.

DATE	RECALLED ITEMS	REMARKS
06/02	Radio Flyer Push Cars	Radio Flyer Inc. is recalling about 15,000 Little Wooden Push Cars for repair. A child can pull the horn off the car's steering wheel, and a small part inside poses a choking hazard. The Little Wooden Push Car is about 24-inches long, 14-inches wide, and 18-inches high. The car has a natural wood body, a red steering wheel column, a red metal bar on the back, and a red plastic horn on the steering wheel. "Radio Flyer" is written on both sides of the car. A child sits in the push car and moves the car with his or her feet. The car is for use by children 1- to 3-years-old. Consumers should take the recalled cars away from young children immediately and contact Radio Flyer Inc. to receive a replacement steering wheel. For more information, consumers can call Radio Flyer Inc. at (800) 621-7613 between 8:30 a.m. and 5 p.m. CT Monday through Friday. Consumers also can contact Radio Flyer Inc. at www.radioflyer.com or by e-mail at 218Repair@RadioFlyer.com .
06/02	Graco Toy Tracks Attached to Activity Centers	Graco Children's Products is recalling about 152,000 toy tracks attached to children's activity centers. The toy track can break, presenting a cut or pinch hazard and exposed small parts pose a choking hazard to young children. The recalled activity centers include the Tot Wheels V, models 4511 and 4521, and the Convertible Entertainer, models 4652 and 35225. Consumers should stop using these activity centers with toy tracks immediately, and contact Graco to receive a free replacement track. For more information, consumers can contact Graco at (800) 673-0392 anytime or visit the firm's web site at www.gracobaby.com .
06/02	Little Tykes Pop 'n Scoot Ride-on Toys	The Little Tikes Company is recalling Pop 'n Scoot Ride-on toys. Young children who lean forward can fall forward over the handlebars, causing facial injuries. The riding toys have a yellow body, a red seat and red handlebars with blue hand grips. The identification number 32922XX 1 is molded on the underside of the ride-on body. The model number 1568-01 and "Made In U.S.A." is molded on the bottom of the storage area below the red seat. Consumers should stop using the toys immediately and contact Little Tikes at www.littletikes.com or call (866) 765-6729 anytime to receive a Little Tikes replacement product.
05/02	Toy Planes	Spin Master Toys is recalling about 137,000 Firestormer and Skyblazer toy planes. The plastic air intake chamber of the air-powered toy planes can burst, throwing plastic pieces, posing a laceration, bruise and abrasion hazard to consumers. The recalled Firestormer plane is either red or blue in color with a flame graphic across the body and "Firestormer" printed on the wings of the plane. The Skyblazer plane is purple, green and white in color and has "Skyblazer" printed on the wings of the plane. These toys use a hand pump mechanism to compress air to make the plane fly. Both planes are recommended for children 8 years old and over. The planes have an 8-digit date code on the bottom of the pump. The date code reads MM/DD/YY-KS. Only planes with date codes 12/29/01-KS through 03/24/02-KS are included in the recall. "Made In China" is written on the bottom of the pump below the date code. Planes manufactured before December 29, 2001 and after March 24, 2002 are not included in this recall. Consumers should stop using the planes immediately and contact Spin Master Toys at (800) 622-8339 9 a.m. to 5 p.m. ET Monday through Friday to receive a free replacement plane. Consumers also can visit the firm's web site at www.spinmaster.com

DATE	RECALLED ITEMS	REMARKS
05/02	Infant seat carriers	Dorel Juvenile Group Inc. is recalling about 26,000 Safety 1st and Beatrix Potter "Designer 22" infant car seats/carriers. When the seat is used as a carrier, the plastic handle can unexpectedly release from the carrying position. When this happens, an unrestrained infant can fall to the ground and suffer injuries. The recalled car seats/carriers were sold under the Safety 1st and Beatrix Potter "Designer 22" brand names and were manufactured by Dorel Juvenile Group in the U.S. Only model numbers and color codes 02-621-SAL, 02-620-AZY and 02-620-BEA are included in this recall. Consumers can continue to use the "Designer 22" as a car seat but should stop using it as a carrier immediately and contact Dorel Juvenile Group to receive a repair kit. Consumers can contact Dorel at the firm's web site at http://www.djgusa.com/services/productrecall/recalls.html , fax (800) 207-8182 or call (800) 536-1090 between 7 a.m. and 5 p.m. ET Monday through Thursday and between 7 a.m. and 4:30 p.m. ET on Friday.
05/02	Kolcraft stroller toy steering wheel attachment	Kolcraft Enterprises, Inc. is recalling about 17,000 toy steering wheel attachments sold on strollers. The steering wheel can break away from its base, allowing the small plastic turn signal and horn pieces to come off, posing a choking hazard to young children. The toy steering wheel was sold on Kolcraft's Jeep(r) Cherokee stroller model number 55120. Strollers manufactured after February 2001, with toy steering wheels, are not included in this recall. Consumers should remove the toy steering wheel on these strollers and contact Kolcraft to receive a free replacement toy steering wheel. Contact Kolcraft at (800) 453-7673 between 8 a.m. and 6:45 p.m. ET Monday through Thursday and between 8 a.m. and 3:30 p.m. ET on Friday. For additional information, consumers can also visit the firm's web site at www.kolcraft.com .
05/02	Baby Floats	Reminder - Aqua-Leisure Industries recalled 90,000 "SunSmart" baby floats. The leg holes in the seat of the float can tear, causing children to unexpectedly fall into the water and possibly drown. Item packaged as "SunSmart" Baby Adjustable Sunshade Boats. The item is intended for ages 6 months to 18 months. Item sold from August 2000 to September 2001 for \$10-\$13. Contact manufacturer at 800-807-3998 or visit website at www.aqualeisure.com
05/02	Cotton Candy Machines	Rose Art Industries Inc. is recalling cotton candy machines. The motors on the cotton candy machines can jam and overheat, posing a fire hazard. Additionally, the heating unit can be activated without the spinner in place, presenting a risk of burn to consumers. The recalled cotton candy machines have either a blue or a purple base and a clear plastic cover. The words "The Real Cotton Candy Machine" are printed in a rainbow of colors on the base of the machine and on the packaging. Consumers should stop using these cotton candy machines immediately and contact Rose Art at (888) 262-4474 anytime for a free replacement motor unit, and free samples of flavored sugar to make cotton candy. For more information, consumers can visit the firm's web site at www.roseart.com .

DATE	RECALLED ITEMS	REMARKS
05/02	Rocky Mountain Bicycles Mountain Bikes	Rocky Mountain Bicycles is recalling about 660 mountain bicycles. The chainstay that holds the rear wheel in place can fail, causing the rear wheel to separate from the bicycle. This can cause the rider to lose control and crash. This recall involves 16.5-, 18- and 19-inch Slayer and Edge full-suspension, mountain bicycles. The Slayer model is black metallic with red decals on the top tube and downtube that read "Slayer" and "Rocky Mountain." The Edge model is royal blue with yellow decals on the top tube and downtube that read "Edge" and Rocky Mountain." "Made in Canada" is printed on decals on both model bicycles. Consumers should stop using the bicycles immediately and return them to the store where purchased for a free repair. For more information, consumers can contact Rocky Mountain Bicycles at (800) 663-2512 between 8 a.m. and 4 p.m. PT Monday through Friday or visit the firm's web site at www.bikes.com
05/02	Duckie Ring Rattle Teethers	Prestige Toy Corp., is recalling about 4,600 Duckie Ring rattle/teethers. The rattle may break, causing small beads to fall out, which presents a potential choking hazard to young children. The brand name "PRESTIGETM" is embossed on the teether. The combination rattle/teethers have model numbers 4576, 44576, and 84576, which can be found on the sewn-on label. Consumers should immediately take the rattles away from children and return them to the company to receive a replacement toy or refund. Consumer should send the rattle to Prestige Toy Corp., 131 West 33rd Street, Room 606, New York, N.Y. Prestige will reimburse consumers for the cost of postage. For more information, consumers can contact Prestige toll-free at (888) 268-8999 between 9 a.m. and 5 p.m. ET Monday through Friday.
04/02	Specialized Bicycles	Specialized Bicycle Components Inc., is recalling about 2,200 bicycles. The rear seatstays, the tube behind the seat that connects the rear axle to the rear shock, can break, possibly causing the rider to lose control and crash. The recall involves model year 2002 Enduro-brand bicycles. The Enduro Pro FSR is silver; the Enduro Expert FSR is black; the Enduro Comp FSR is yellow; and the Enduro FSR is blue. The model name of the bicycles is located on the top tube and the brand name is located on the down tube. Consumers should stop riding these bicycles immediately, and return them to their local Specialized dealer for a new rear seatstay, which will be installed at no charge. For more information, call Specialized at (800) 214-1468 between 8 a.m. and 5 p.m. PT Monday through Friday, or go to the firm's web site at www.specialized.com .

DATE	RECALLED ITEMS	REMARKS
04/02	Vermont Precision Woodwork Cribs	Vermont Precision Woodworks is recalling about 990 cribs. The slats on the cribs can loosen and detach from the drop side rail, creating a large opening between the slats where a child's head or neck could become entrapped, resulting in serious injury or death. The recalled cribs include models, 7010Alpine, 7020 Caspian, 7030 Coventry, 7040 Dunmore and 7070 Haystack. Consumers should immediately stop using these recalled cribs until the repair has been performed. Vermont Precision Woodworks is providing consumers with replacement drop side rails. Consumers can contact Vermont Precision Woodworks toll-free at (866) 869-7974 anytime or visit the firms web site at www.vermontprecisionwoodworks.com .
04/02	Mongoose and Roadmaster Mountain Bicycles	Brunswick Corp., of Lake Forest, Ill., is recalling about 103,000 Mongoose and Roadmaster mountain bicycles with Ballistic 105 front suspension forks. The forks on these bicycles can break apart, causing riders to lose control, fall and suffer serious injury. The recall includes only Ballistic 105 forks installed on Mongoose and Roadmaster model bicycles manufactured by Brunswick Corp. The forks on these bikes are black with decals that read "BALLISTIC" and "105" on the sides of the suspension fork legs. A small label on the bottom of the bicycle reads "Brunswick." Consumers should immediately stop using these bicycles and call the firm to obtain information on receiving a \$65 refund for the bicycle fork. This applies to all owners of bicycles with Ballistic model 105 forks manufactured by Brunswick (except the Mongoose A40), even if they received a new Ballistic model 105 fork as a result of a participating in a previous recall. For more information, consumers should call Brunswick Corp. at (800) 508-2762 between 8 a.m. and 5 p.m. CT Monday through Friday, or visit the recall web site at www.ballisticforkrecall.com .
04/02	Air Powered Rockets	Estes Industries, of Penrose, Colo., is voluntarily recalling about 140,000 Air Powered Rockets. The rockets' foam tips can break off exposing sharp edges that can cause face lacerations or eye injuries to consumers. The rocket systems also have weak pump handles that can break during use, posing a risk of hand lacerations to consumers. The blue, yellow and black GL-X200 Estes Air Powered Rocket Systems contains two blue rockets with yellow foam tips and are recommended for children 8 years of age and older. Consumers should stop using the air rockets immediately and call Estes Industries toll free at (800) 576-5811 from 8 a.m. to 4:30 p.m. MT for information on how to get a replacement rocket. For more information, consumers can log on to the company's website at www.estesrockets.com .
04/02	Harry Potter Key Chains	Hallmark Cards Inc., of Kansas City, Mo., is recalling about 7,000 Harry Potter key chains. The key chains can leak petroleum distillates, which can pose an ingestion hazard to children. Consumers should take the key chains away from children immediately and contact Hallmark at (800) 425-5627 between 8 a.m. and 5 p.m. CT Monday through Friday for a full refund. For more information, consumers can log on to the company's website at www.hallmark.com .

DATE	RECALLED ITEMS	REMARKS
04/02	Specialized Bicycles	Specialized Bicycle Components Inc., of Morgan Hill, Calif., is recalling about 2,200 bicycles. The rear seatstays, the tube behind the seat that connects the rear axle to the rear shock, can break, possibly causing the rider to lose control and crash. The recall involves model year 2002 Enduro-brand bicycles. Consumers should stop riding these bicycles immediately, and return them to their local Specialized dealer for a new rear seatstay, which will be installed at no charge. For more information, call Specialized at (800) 214-1468 between 8 a.m. and 5 p.m. PT Monday through Friday, or go to the firm's web site at www.specialized.com .
04/02	Trailer Bikes	InSTEP LLC, of Mendota Heights, Minn., is voluntarily recalling about 4,300 Hitchhiker III Trailer Bikes. The bike's universal joint system can fail, causing a rider to lose control of the bike. This poses a risk of injury to either of the two riders. The recalled NH300 model trailer bikes have the words "HITCHHIKER III" printed in red on the trailer arm and the "InSTEP" logo printed on the bottom tube and the safety flag. Consumers should stop using these trailer bikes immediately and contact InSTEP at (800) 242-6110 between 8 a.m. and 5 p.m. CT Monday through Friday, or by e-mail at info@instep.net , for a free repair kit with instructions. For more information, consumers can log on to the company's website at www.instep.net .
04/02	Precision Woodworks Cribs	Precision Woodworks, of Morrisville, Vt., is recalling about 990 cribs. The slats on the cribs can loosen and detach from the drop side rail, creating a large opening between the slats where a child's head or neck could become entrapped, resulting in serious injury or death. The recalled cribs include models, 7010 Alpine, 7020 Caspian, 7030 Coventry, 7040 Dunmore and 7070 Haystack. Consumers should immediately stop using these recalled cribs until the repair has been performed. Vermont Precision Woodworks is providing consumers with replacement drop side rails. Consumers can contact Vermont Precision Woodworks toll-free at (866) 869-7974 anytime or visit the firm's web site at www.vermontprecisionwoodworks.com .
04/02	PSC, Coast Energy Management Power Saving Devices	Coast Energy Management Inc., of Chandler, Ariz., is recalling about 45,000 Energy Smart Power Planners. The Power Planner is a device connected between motorized appliances and wall outlets that is intended to save electricity. These Power Planners have reversed polarity, posing a shock hazard to consumers. The recalled Power Planners are white plastic, about 5-inches in height, and have the words "Energy Smart" printed across the front in green writing. They have a 10-amp rating and the model numbers SP010-N or SP010-NV. The recall includes Power Planners with lot numbers 6/2-01, 10/2-01, 25/2-01, 28/5-01, 20/6-01 and units without a lot number. The lot number is printed on a label affixed to the back of the device. Consumers should unplug these devices immediately and contact Coast Energy Management to receive a replacement and a free gift. Consumers can contact Coast Energy Management at (800) 808-8897 between 8 a.m. and 5 p.m. MT Monday through Friday or visit the firm's web site at www.energysmart.com .

DATE	RECALLED ITEMS	REMARKS
04/02	SC Johnson Announce Recall of Glade(r) Extra Outlet Scented Oil Air Fresheners	SC Johnson, of Racine, Wisc., is recalling about 2.5 million Glade(r) Extra Outlet Scented Oil Air Fresheners. These Extra Outlet PlugIns(r) may have been misassembled during manufacture, which could pose a risk of fire. The Glade(r) Extra Outlet Scented Oil electric air fresheners come in two fragrances, Sky Breeze™ and Mystical Garden™. The air fresheners have a unique rotating plug-thru outlet, which allows other electrical devices to be used in the same outlet as the plug-in. The rotating outlet says "15 Amps Max" on the front and has a yellow disk on the back. The Extra Outlet Scented Oil units have a model number "SCJ079" on the back. Consumers should immediately unplug the air fresheners and contact SC Johnson at (800) 571-0920 between 8 a.m. and 6 p.m. CT Monday through Sunday, or anytime on-line at www.scjohnson.com , for free, full value replacement coupons or a refund.
04/02	Ames True Wheelbarrows	Ames True Temper Inc., of Camp Hill, Pa., is recalling about 647,000 wheelbarrows. The plastic wheel assemblies on these wheelbarrows can break when being inflated with high-pressure air hoses. This can result in plastic pieces exploding from the rims of the wheels, possibly hitting nearby consumers and causing lacerations and other injuries. The recalled Ames wheelbarrows were sold under the brand name "Mustang" or "Douglas." Consumers should not inflate the tires on these wheelbarrows. Consumers should contact Ames True Temper to receive a free replacement steel wheel assembly. For more information, call Ames True Temper toll-free at (866) 239-2281 between 8 a.m. and 4:30 p.m. ET Monday through Friday, or visit their web site at www.amestruetemper.com .
04/02	Fisher-Price Infant Swings	Fisher-Price, of East Aurora, N.Y., is recalling about 42,000 Smart Response Swings for in-home inspection and repair. It is possible to misassemble the seats of these swings so that they appear secure, but are not. If the seat of the swing is not properly attached, the seat and baby can flip forward. The Smart Response Swing is an indoor infant swing for use from birth until baby can sit up unassisted. The metal legs of the swing are either blue or beige, and the seat is either beige or white. The Fisher-Price logo appears on the seat's tray. Product numbers 79644, 79645 or 79647 are molded onto the back of the seat. Consumers should stop using swings immediately and call Fisher-Price for help in inspecting the seat to make sure the seat is properly attached. If the seat is not properly attached, a free replacement seat and revised instructions will be provided. For more information, call Fisher-Price at (800) 942-5912 anytime, or visit the firm's web site at www.fisher-price.com .

DATE	RECALLED ITEMS	REMARKS
04/02	Girl's Capri Pant and Shirt Set	Federated Merchandising Group, of New York, N.Y., is recalling about 1,000 Greendog(girl's capri pant and shirt sets. The buttons in the center of the embroidered flowers on the shirt can detach, posing a choking hazard to young children. The recalled two-piece set includes a yellow or white, ruffled top with flowers embroidered along the bottom and denim capri pants with buttons on the bottom. The capri sets were sold in sizes 12, 18 and 24 months. The Greendog(capri sets have the style number 8088. The style numbers are printed on the hang tag. Consumers should stop using these sets immediately and return them to the store where purchased for a refund or store credit. For additional information, consumers can contact Federated Merchandising Group toll-free at (877) 874-2812 between 9 a.m. and 5 p.m. ET Monday through Friday or visit the firm's web site at www.fds.com/cpsc
04/02	Mini Beach Chairs Given with "Time Out" Cosmetics at Sears	Intercon Merchandising Source Inc., of City of Industry, Calif., is recalling about 100,000 Time Out folding mini beach chairs which can be used by both children and adults. The chairs can collapse, posing crush and amputation hazards to consumer's fingers and toes. The recalled mini beach chair was a free gift with the purchase of a Time Out cosmetic product at Sears stores. The mini beach chairs are white aluminum with a blue canvas seat and back. The name "Time Out" is printed on the canvas backrest. Consumer should stop using these mini beach chairs immediately and contact Intercon for a free repair. Consumers can contact Intercon at (800) 634-0469 between 9:00 a.m. and 5:00 p.m. PST Monday through Friday.
04/02	Electric Heaters	Lakewood Engineering & Manufacturing Co., of Chicago, Ill., is voluntarily recalling about 107,000 electric heaters. The electrical connections inside of the heater can become loose, causing the heater's metal frame to become energized. This poses a serious electric shock hazard to consumers. The recalled electric heaters have model numbers 797 or 797 DFT, which is stamped on the back of the unit. The Model 797, which is painted white, and the Model 797 DFT, which is painted gray, have a control panel with temperature and wattage selections. The rounded, metal units also have the word, "//////Lakewood" printed on the control panel. Consumers should immediately stop using these heaters, unplug them, and contact Lakewood at (888) 858-3506 between 8:30 a.m. and 5 p.m. CT Monday through Friday to receive a free repair or replacement. Lakewood will provide consumers with instructions as to how to return the heaters to the company free of charge. For more information, consumer can log on to the company's website at www.lakewoodeng.com .

DATE	RECALLED ITEMS	REMARKS
04/02	Crystal Mountain Water Coolers	Crystal Mountain Water Cooler Corp., of Alberta, Canada is voluntarily recalling about 12,000 hot & cold water coolers. Approximately eighty percent of the water dispensers were sold in the United States. The hot & cold water dispenser's heater band can short circuit, posing a fire hazard to consumers. To determine if the water dispenser is subject to this recall, the serial number plate is located on the back at the top of the water dispenser. Only water coolers with serial numbers between 1199125 and 1100175 are included in the recall. The third and fourth digits of the serial number represent the year of production. Consumers should turn off the hot tank power switch or simply unplug the units and contact Crystal Mountain at (866) 678-4886 anytime to receive repair information. Consumers should have the serial number of their water cooler available at the time of the call.
04//02	Portable Basketball Hoops	Lifetime Products Inc., of Clearfield, Utah, and Escalade Sports, of Evansville, Ind. Are recalling about 1.7 million portable basketball hoops. The basketball hoops may have a sharp protruding bolt on the players' side of the pole that can cause serious leg or body lacerations to consumers when the bolt is exposed. All Lifetime portable basketball system models, except the "Quick Court" are included in the recall. The Escalade Sports basketball hoop models included in the recall are the Harvard, The Big Easy, B3100, B3301, B3302, B3303, B3304, B3305, B3306, B3403, B3500, Spalding, The Big Easy B3402 and Apex B9995, Mini Court, Alley Court. Consumers should call and get a cap nut regardless of whether their bolt protrudes or not. Consumers can contact Lifetime Products Inc. at (800) 225-3865 between 8 a.m. and 5 p.m. MT or 9 a.m and 6 p.m CT Monday through Friday or the firm's web site at www.lifetime.com . Escalade Sports can be reached at (800) 467-1397 between 9 a.m. and 6 p.m. CT Monday through Friday or the firm's web site at www.escaladesports.com
03/2002	Children's Soap Making Kit	Rose Art Industries Inc is recalling 124,400 Soap Making Kits. The soap may get too hot when heated in the microwave oven and leak from the plastic container posing a burn hazard to children. The kit is sold in a cardboard box with model number 4121 on the packaging. The kits were sold between August 1997 through December 2001 for about \$10. Contact manufacturer at 800-272-9667 or visit website at www.roseart.com
02/2002	Girl's Garments	Oshkosh B' Gosh Inc. is recalling 21,800 girl's garments because the fabric, heat-sealed flowers on the front of the garment can detach after washing, posing a choking hazard to young children. One garment is lavender colored French terry and velour tops with printed rib knit bottom. Style numbers 516-8240 and 516-8340 (jumpsuits) and top and bottom sets style numbers 516-8241 and 516-8341 are included in the recall. Both garments were sold in sizes 0-3, 3-6, and 6-9 months. Items sold from August 2001 through December 2001 for about \$38. Return to manufacturer for refund. Contact manufacturer at 800-282-4674 or visit web site at www.oshkoshbgosh.com

DATE	RECALLED ITEMS	REMARKS
02/2002	Children's Books	Random House Inc is recalling 39,000 copies of Monsters In The Closet children's board books. The snap that secures the book can detach, posing a choking hazard to young children. The title "MONSTERS IN THE CLOSET" is printed with orange letters highlighted in yellow on the front cover of the books. The books have been printed in English and Spanish. The books were sold from October 2002 to January 2002 for about \$8. Contact manufacturer at 800-493-0009 or visit website at www.randomhouse.com
02/2002	Pedal Cars	Alpha International/Gearbox Pedal Car Company is recalling 75,000 pedal cars. The paint on some cars contains high lead levels. Young children could ingest the lead from the car's paint coating, presenting a lead poisoning hazard. There are 17 models of the pedal cars included in the recall. Four police cars, eight sedans, one yellow taxi and one dump truck. All the pedal cars are made of metal and come in a variety of colors. Consumers can contact Alpha International at 800-368-6367.
02//002	Children's Books	Disney Press is recalling 5,180 Zowie's 123 children's books. The books have a plastic abacus-like toy attached to the back cover that contains plastic beads. The beads can separate from the book cover, posing a choking hazard to young children. The abacus toy has five small beads. The beads slide along a plastic track. The book can be identified with the ISBN code number 078683307-6 found on the back cover in the bottom corner. The recalled books were sold from January 2002 through February 2002 for about \$7. Return to vendor for full refund. Contact manufacturer at 866-203-8070 anytime.
02/2002	Plush Snuggle Bears	Unilever Home and Personal Care USA is recalling 4 million plush Snuggle bears. The eyes and noses come off, posing a choking hazard for young children. The plush, cream-colored bears come in three sizes: a 5-inch bean bear, an 8-inch bean bear and a 10-inch stuffed bear. The 5-inch and 8-inch bears were sold between May 1999 to July 2001. The Pajama and Nightcap 5-inch bears were distributed between November 2001 – December 2001. The 10-inch bears were distributed from May 1997 through May 1998. Contact manufacturer at 800-896-9479. Or visit website at www.Snuggletime.com
02/2002	Snack and Activity Trays	Graco Children's Products Inc is recalling 8,900 Snack and Activity Trays. The trays are sold with detached suction cups that the consumer installs. If the suction cups are not properly attached, they can detach posing a choking hazard for young children. This recall is being conducted to prevent the possibility of injuries. The Snack and Activity tray can attach to high chairs, strollers, swings and other flat surfaces. Item sold from August 2001 through February 2002 for about \$15. Contact manufacturer at 800-345-4109 or visit website at www.garacobaby.com
